Long Island Alumnae  
Chapter of ΔΔΔ

Fall 2007

Volume XV, Issue 1

## Welcome Tri Deltas!

I hope everyone had a wonderful summer and you're not too ragged from the summer heat, because it's the right time to jump back into a fun year with Tri Delta. I'd like to first welcome you to a truly exciting year for the Long Island Tri Delta Alumnae Chapter. A HUGE thank you goes out to all of our Volunteers. Your efforts mean so much to us and to all our hostesses and co-hostesses last year, thank you for opening your homes. To the women who have volunteered your home or time this upcoming year, thank you in advance!

Our goal this year is to continue as a strong and viable chapter. We recruited some new members but for various reasons, few continued to attend our activities. We plan to do more e-mail notification as well as finding more activities that everyone can enjoy. We had a successful year of Philanthropic events such as a Bowl-a-thon, gift wrapping and our shopping event. I challenge each alumnae to reach out to three sisters that you have never met before, share a Tri Delta experience, and reconnect with a superb group of women that will reinforce why you made a lifelong commitment to this fraternity.

The officers invite and encourage you to become part of the Long Island Alumnae Chapter. We plan to have a lot of fun and you'll see that there are many changes to come. This year, the board has created a calendar of events that include your favorite traditions, as well as several new events, that you will certainly enjoy. I hope to see many of you there! This year is also the 70th Anniversary for our Alumnae Chapter. We have a big Gala planned in June and hope all of you can attend. This is a great way to catch up with sisters you might have lost touch with! We have activities to satisfy many interests and to appeal to all age groups, so please see the enclosed dues form for those that look interesting to you. I'm always glad to hear from you as to how Tri Delta can better serve your needs! I look forward to meeting all of you at one of many events.

In the bonds,  
Erica Passarella  
LIAC President

VP Membership

WE WANT TO GET TO KNOW YOU! For just \$21 more than National dues, you get new friendships, fun activities, and the opportunity to make a difference in supporting our chapter philanthropies. Perhaps the most important reason to join is to continue the circle of your Tri Delta sisterhood.

Who are we? We are your sisters in the bonds, each in a different stage of educational, professional, marital and parental development, but all devoted Deltas. When you join, there is a good chance you will meet someone in the same field as you. Whether you are new to the area and want to make new friends or want to expand your circle of friends, we have what you need!

Where are we? Meetings are often held in a member's home and move around so there is sure to be an event close to you during the year. Whether you want to join us at every event or just when you can make it we would love to see you there!

Read this newsletter from cover to cover to see what we've done and what we are planning for the coming year. Want to help us grow and possibly get a free full year of membership as a thank you? Send an email for details. Reap the benefits of membership! It is your financial dedication - year after year - that keeps the Long Island Alumnae Chapter strong. Thank you for your continued support!

### Milestone Recognition

There are also some members who deserve recognition. There are many Deltas that live within the Long Island area who are Gold Circle members (50 years of membership) and Diamond Circle members (75 years of membership). We would like to recognize those members of the Long Island chapter who have reached these milestones at our 70th Anniversary Gala this spring.

Please email me with membership questions and if you would like to be recognized as a milestone initiate.

Look forward to hearing from you!

## Philanthropy Update

By Tracey Cohen & Heather Wildenberger  
Philanthropy Co-Chairmen

There is no "I" in team, but there is an "I" in Philanthropy. Ask yourself..."What can 'I' do to help?" In our motto we have pledged self-sacrifice. The events we have planned this year will help us all to complete our promise to give to and help others.

As you look at the calendar, you will see some our yearly fundraising events (Bowl-a-thon, Wreath Sale, Holiday Gift Wrapping, and Tea Party.) Along with our past events we have added some new ones to the mix. Make sure you bring your appetites and checkbooks to Tastefully Simple and the Founder's Day Raffle.

We hope that you can join us for as many philanthropic events as you can. It is our hope that we have successful events and raise more more for Friends of Karen, St. Jude and Delta Delta Foundation than we have in the past.

If you have any questions or are interested in an event please contact:

## Money Matters

### Financial Year in Review

By Lindsey Draves  
VP Finance

Thanks to all of you who pay your dues our bank account is in great shape! A percentage of your membership fee is sent on to Tri Delta's national office while the remainder contributes to the operation of our local chapter. While dues can be accepted up until January 15<sup>th</sup>, we encourage you to send in your membership form and dues by November 1<sup>st</sup>. This guarantees that your name will be included in the upcoming Membership Directory.

My first year as VP Finance of LIAC has been both busy and exciting as I learned the role and met various dead-

lines. This office even comes with some benefits of which I was not aware. First, it has given me the opportunity to become better acquainted with many of the sisters in our alumnae chapter and I have enjoyed doing so. Additionally I get great satisfaction from writing checks to the charitable organizations for which we have fund-raising events. St. Jude Children's Research Hospital and Friends of Karen both provide much needed services to children with cancer.

## Philanthropy Reviewed

By Kim Haggerty  
Staff Writer

The Long Island Alumnae Chapter had another great year filled with many successful Philanthropy events.

We began in October with our Inaugural Bowl-a-Thon. Everyone had a blast bowling with family and friends and raised money for both Friends of Karen and St. Jude. Congratulations to Heather Wildenberger, our highest bowler, (and she didn't even use the bumpers). At Founder's Day, we held our raffle and 50/50 drawing, with proceeds benefiting Friends of Karen, and did a craft project that was sent to children at St. Jude Hospital. Our annual gift wrapping event at the Walt Whitman Mall was a success in December. The monies raised were donated to Friends of Karen. At our 5<sup>th</sup> annual Pine Party, we had a traditional Star Tree to honor Tri Deltas. The money from this event was donated to the Delta Delta Delta Foundation. In February, we held a Party-Lite Candle party. We

had a great night with friends, food, and shopping, knowing that a portion of the money spent went to St. Jude Hospital. In April, we held our first Tea Party. Thanks to those who stayed home, relaxed with a cup of tea, and sent in a donation. As you can see, we had a very busy year raising money for Friends of Karen, St. Jude Children's Hospital, and the Delta Delta Delta Foundation. Thanks to all who attended these events and especially to Tracey Cohen, my assistant chair. I am so proud of the LIAC, knowing that we have such a strong commitment to our community and striving to help others. Looking forward to seeing you at our next philanthropy event!

## Remembering Founder's Day

By Kelenda Allen-James  
Events Chairman

Tri Delta's 118th Founder's Day was celebrated on November 13, 2006, at The Lucky Duck, in Garden City. There were approximately 60 Tri Deltas in attendance. Sisters enjoyed conversation as they put together tray decorations, which were donated to the children at St. Jude Hospital.

After dinner, Erica Passarella, Alumnae Chapter President, read the Founder's Day Proclamation, and presented fellow alumni Diane Martin, with a brick engraving from Executive Office for all the hard work she has done for TriDelta. Following the presentation of the brick we had our Candle Lighting Ceremony. During the Chapter Roll Call, there were many sisters from Adelphi (Alpha Alpha), as well as alumnae sisters from Bucknell (Tau), Centre (Beta Phi), Maine (Alpha Kappa), Cornell (Alpha Beta), and Boston University (Alpha).

Door prizes were given away, and our annual raffle was supplied with lovely gifts donated by alumnae. A new addition to the Founder's Day event was the introduction of the Delta Shop, giving Tri Deltas an opportunity to buy some of the great merchandise found at [www.shopddd.com](http://www.shopddd.com) in person.

## Get Involved.....

The Long Island Alumnae Chapter is looking for volunteers. This is one of the best ways to meet new Tri Delta friends and re-connect with old. All alumnae officers are volunteers and are an essential component to the perpetuation of our Fraternity. Tri Delta strives to create a volunteer experience that is mutually beneficial for the volunteer and those whom she serves. There are lots of opportunities to become involved within.

We are currently planning for the 2007-2008 year so contact me if you are interested in an officer apprenticeship, committee or just being involved. We will try to match your interests with the positions available.

## Creating and Capturing Memories

By Melanie Marcial  
Historian Chairman

Over the years, the Long Island Alumnae Chapter of Tri Delta has scheduled more activities to keep alumnae connected, creating many opportunities for laughter, memories, and pictures. To capture these memories, we are beginning to archive events in scrapbooks. As we approach our 70th anniversary as an alumnae chapter in 2008, we would also like to share and display Tri Delta memories at events throughout the year. For those who have any photos, memories, or belongings of Tri Delta, please contact Melanie Marcial, Historian Chairman [Historian@liac-tridelta.com](mailto:Historian@liac-tridelta.com), so that we can record and preserve our history, and create a beautiful display to commemorate our chapter's beginning.

St. Jude Children's Research Hospital has made incredible strides in improving survival rates for children diagnosed with cancer. September is National Childhood Cancer Awareness Month, and St. Jude, in partnership with Chili's Grill & Bar®, is again inviting people to get creative in the fight against childhood cancer by participating in the Create-A-Pepper to Fight Childhood Cancer campaign throughout the month. You can do your part to help in the critical fight by spreading the word about Create-A-Pepper to your friends and contacts through Facebook, MySpace, LinkedIn or even just through your email distribution list.

Just by participate in Chili's Grill & Bar's Create-A-Pepper campaign you will be benefiting St. Jude Children's Research Hospital, the world's premier center for the research and treatment of childhood cancer. Simply go to Chili's in September and color a pepper and make a donation to St. Jude. And the best is...if you go to Chili's just once this month, go on September 24. All of Chili's profits from that day will go to St. Jude to help find cures and save children.
