Membership Privileges

Publications: All dues-paying members receive a Membership Directory, which lists the names and addresses of all the past and current year's members. If we receive your dues by October 31, 2011, your name will be included in the 2011-2012 issue. Only dues-paying members will receive The Trident.

Participate: Join one of our special interest groups! These are designed for dues-paying members to get the most out of their Long Island Alumnae Chapter Tri Delta experience.

Benefits: Dues-paying members enjoy several benefits, including reduced rates to events (some events are even free), electronic newsletter updates, and an opportunity to celebrate membership milestones (Silver, Golden, or Diamond).

- I have reached a Milestone (Silver, Golden, or Diamond) and would like to be recognized at Pansy Breakfast in May 2012
- I have not received Circle Degree and would like to be included in the LIAC Ceremony during Pansy Breakfast in May 2012.
